Tony Walters, Executive Director of NAIHC, emphasized: “This years’ meeting is important, as our members will determine NAIHC’s priorities for the next two years as they elect a new Board of Directors Chairperson. Additionally, as Congress has increased funding for Tribal housing programs for the [first] time in nearly a decade, it’s vital that our members get exposed to new successful projects and best practices through our breakout sessions.”

AMERIND Risk | NAIHC Annual Convention & Trade Show attendees are also encouraged to participate in the NAIHC Golf Event Fundraiser at Sycuan Golf Resort in El Cajon, California, on May 29.
